Podcast & Poster rule book categories are unique to California History Day and are not a part of National History Day.
Welcome to National History Day-California!

This document includes the NHD-CA poster & podcast rules. Refer to the NHD Rule Book for all other NHD categories including exhibit, documentary, paper, performance, and website.

- Poster category is for Elementary Division (4th & 5th grade students only)
- Podcast category is for students in Elementary Division (4th & 5th grade), Junior Division (6-8th grade), and senior Division (9-12th grade).
- Both categories offer individual and group projects.

You will select an entry category that allows you to make the best use of your research and project-development talents. Successful presentation of your historical argument, analysis, and insights relies on following the guidelines for the entry category you select. Be sure you know both the requirements for your specific entry category as well as the general requirements that apply to all entries. Read, become familiar with, and adhere to the rules (general and category) and suggestions within this Rule Book to prepare your History Day entry.

PLEASE READ THIS!
Before you begin work on your entry, you, your teacher, and your parents should read this Contest Rule Book carefully. It contains rules that you must follow to compete in all levels of the NHD-CA competition. More information about topics, sources, and deadlines is available from your county coordinator. Find your local contest & coordinator information by going to www.nhdca.org. Always contact your county coordinator to learn whether any procedures have been revised for your area.
General Rules for All Categories*

RULE 1. CONTEST YEAR
You may begin working on a project for competition after the conclusion of the previous contest year in June.

RULE 2. ENTRY
You may enter only one project (or entry) in one category within a contest year.

RULE 3. INDIVIDUAL OR GROUP ENTRIES
A project may be completed by an individual or a group of two to five students.

- An individual podcast or individual poster must be the work of only one student.

- A group podcast or group poster must be the work of two to five students.

- All students in a group entry must be involved in the research and interpretation of the group’s topic.

- Once a group project enters the first level of competition beyond the school level, students may not be added or replaced. If the group loses one or more members, even temporarily, the remaining group members are still eligible to compete. This is true, even if only one student remains. The project is still a group entry because it reflects the work of multiple students.

- Changing categories or topics is not permitted after entering the first level of history day competition beyond the school level. Narrowing and refining topics are permitted and encouraged.

RULE 4. STUDENT RESEARCH
You must complete the research, design, and creation of your project on your own, during the current contest year.

- If you are part of a group entry, your team must work together to complete the research for your project.

- You must not share your research with students outside your group.

- You may not submit someone else’s research or project as your own.

- You may not reuse a project from a previous year.

- You must choose a new topic to research each year.

NOTE: If you are unsure about whether your topic is too similar to a previous year’s topic, check with your teacher and your Contest Coordinator.

* Adapted from the National History Day Contest Rule Book
RULE 5. PLAGIARISM
Plagiarizing all or part of your history day project will result in disqualification. You must give credit to the primary and secondary sources you use and provide a complete citation and annotation for all of your sources in your annotated bibliography. See [nhd.org/annotated-bibliography](http://nhd.org/annotated-bibliography) for more information about crediting and citing sources.

The online Merriam-Webster Dictionary defines “to plagiarize” as follows:

- To steal and pass off (the ideas or words of another) as one’s own
- To use (another’s production) without crediting the source
- To commit literary theft
- To present as new and original an idea or product derived from an existing source

*Plagiarism includes, but is not limited to, the following examples:*

- Turning in someone else’s project as your own
- Failing to put quotation marks around direct quotes and include both a source credit and a proper citation of the source
- Failing to provide proper citations for all quoted and paraphrased material
- Failing to provide the sources for audio, video, or images used in your project
- Giving incorrect information about the source of a quote

RULE 6. TAMPERING
You may not tamper with another student’s entry. Intentional or malicious defacing of another student’s project will result in disqualification. Violations may include, but are not limited to, editing or deleting another student’s website, defacing or stealing elements of an exhibit, or purposefully causing disruption during a performance with the intent of distracting the performer.

RULE 7. ANNUAL THEME
Your entry must relate clearly to the annual theme. Read about the current theme here: [https://www.nhdca.org/s-theme](https://www.nhdca.org/s-theme).

RULE 8. ENGLISH AND TRANSLATIONS
All entries for competition must be submitted in English unless otherwise approved by your Contest Coordinator. Other languages may be used, if translations in English are provided. When considering translated text for the purposes of word count, judges will count only the English translation.

RULE 9. COPYRIGHT
The Fair Use doctrine allows for educational use of copyrighted materials for noncommercial purposes. For this reason, you must not place your project in a nonacademic public setting, such as a commercial internet site, without obtaining permission from the copyright owner. Read more here: [copyright.gov/fls/fl102.html](https://www.copyright.gov/fls/fl102.html).

**RULE 10. REASONABLE HELP**

<table>
<thead>
<tr>

</thead>
<tbody>
<tr>
<td>A teacher provides guidance as you research and analyze your material.</td>
<td>You conduct the research and develop the analysis and conclusions.</td>

<td>You make the formal request and plan, conduct, and record the interview.</td>
</tr>
</tbody>
</table>

**NOTE:**
Objects created by others specifically for use in your entry violate this rule. Examples include a parent editing a podcast or an artist drawing the backdrop for your poster.

**RULE 11. SUPPLYING EQUIPMENT**
You are responsible for supplying all equipment at each level of competition for your entry. Check with your Contest Coordinator about available resources. Be prepared.

**RULE 12. COSTUMES**
You are not permitted to wear costumes that are related to the focus of your entry during judging.

**RULE 13. PROHIBITED MATERIALS**
The following are not allowed in any competition venue:

- Weapons of any kind, including real, toys, or replicas in any form
- Live animals with the exception of service animals
- Live cultures or organisms
- Anything that could cause damage to the competition venue

**NOTE:**
Generally, if you are not allowed to bring it to school, you are not allowed to bring it to a History Day contest. If you are unsure about an item, contact your Contest Coordinator.
RULE 14. INTERVIEW WITH JUDGES
Be prepared to answer judges’ questions about the content and development of your entry. However, you may not give a formal, prepared introduction, narration, or conclusion during the interview. The judges’ questions will guide the interview. Ultimately, your entry should be able to stand on its own without any additional comments from you.

Required Written Materials for All Categories

RULE 15. WRITTEN MATERIALS
Your entry must include the following written materials in the order presented below:

1. A title page as described in Rule 17
2. A process paper as described in Rule 18
3. An annotated bibliography as described in Rule 19

Follow these instructions when preparing your written materials:

- Print your written materials on plain white 8.5 x 11-inch paper, with 1-inch margins on all sides, in 12-point font. A4 paper will be accepted from international Affiliates.
- Use single or double-sided printing.
- Staple materials in the top left corner. Do not enclose these materials in a binder, folder, etc.

</tr>
</thead>
<tbody>
<tr>

<td>In addition to the written materials mentioned above you must also provide “Show Notes.”</td>
</tr>
</tbody>
</table>

RULE 16. TITLE
Your entry must have a title that is clearly visible on the title page and on the project itself.

RULE 17. TITLE PAGE
A title page is required as the first page of written material in every category. Your title page must include only the title of your entry, your name(s), the contest division and category in which you are entered, and applicable word counts. Your title page is not included in the word count.
**RULE 18. PROCESS PAPER**

A process paper is required for projects in every category. The process paper must be 500 words or fewer, and must not include quotes, images, or captions. The process paper words are counted separately and are not part of the word count in the poster. Your process paper must answer the following questions:

4. How did you choose your topic and how does it relate to the annual theme?
5. How did you conduct your research?
6. How did you create your project?
7. What is your historical argument?
8. In what ways is your topic significant in history?

**RULE 19. ANNOTATED BIBLIOGRAPHY**

An annotated bibliography is required for all categories. Your annotated bibliography must follow these requirements:

- List all sources that you consulted in developing your entry.
- Combine photos or other materials from the same collection into a single citation.
- Separate your bibliography into two sections: one for primary sources and one for secondary sources.
- Do not attach primary or secondary materials to your annotated bibliography.
- Do not include your annotated bibliography in the word count.

**Note:** Elementary Division podcast and poster students are only required to annotate 5 sources.

Each citation must include a brief annotation. The purpose of the annotation is to provide information about your research process, not to provide analysis to circumvent the word count. Each annotation must be no more than two or three sentences. The annotation should explain the following:

- How you used the source
- How the source helped you to understand the topic
Use annotations to explain your reasoning for classifying any sources that are not clearly primary or secondary. Classifying a source as both primary and secondary is inappropriate.

**RULE 20. STYLE GUIDES**

Citations and bibliographic references must follow the most recent edition of one of the two permitted style guides below. Regardless of which manual you use, the style must be consistent throughout all written material.

- The Chicago Manual of Style by the University of Chicago Press
- MLA Handbook by the Modern Languages Association of America

**NOTE:**

Historians prefer The Chicago Manual of Style because its footnote/endnote formatting works best for historical sources. However, NHD-CA accepts the MLA Handbook because of its widespread use in many schools.

Poster

The poster is a scaled-down version of the exhibit category. A poster provides the opportunity to demonstrate your understanding of the topic and theme, effectively use a combination of quotations and your own words to share the context, your historical argument and evidence that supports it, and the significance of your topic in history. You will also use images of all kinds (e.g., photos, maps, art images, etc.) and meaningful captions and labels to tell your story and guide the viewer through your display. Each poster includes a process paper and annotated bibliography.
